

# Engaging Everyone in Innovation

22<sup>nd</sup>-23<sup>rd</sup> March 2018

Join us for our highly interactive Employee-Driven Innovation Lab hosted jointly by the **HELIX Institute** at the University of Linköping and the nearby **SAAB Aerospace** plant. This two-day event will bring together innovative companies and leading Scandinavian researchers to explore theory and practice relating to employee-driven innovation. Linköping is easily accessible by train from Stockholm's Arlanda Airport.
